## SPEAKING TESTIMONIALS

*Ashley is a welcoming person who creates an inclusive and knowledge filled space. Her demeanor is engaging and energetic. She is super authentic and that allows for genuine connection to her audiences. She assisted with a networking workshop in our space and those who attended gained so much value. From learning how to break the ice to thinking about how connecting with others is one of the best ways to attract new leads on the sales front. She also is so willing to brainstorm to enhance your professional and personal needs. Always a pleasure working with Ashley!!!*

*Ashley combined her witty sense of humor with her excellent networking skills to deliver a fun, informative message! She engaged every person in her presence and gave one of the best presentations I have seen. We laughed, we learned and we loved Ashley Owens!! You will too!*

• KAMIE LEHMANN •  
POLKADOT POWERHOUSE - BENSALEM

*We have had many speakers, experts and so-called motivational speakers (and I'm not speaking of Chris Farley of SNL) over the years, and Ashley puts them all to shame because what she delivers is from the heart and soul. It is not something that she read from a book or copied another's success, it is who she is, and you walk away believing in what she says.*
